**Inquiries**

For Ueno Zoo

multi-dimensional and multi-functional exhibition space that tells the story of the natural world in a unique way. It is an opportunity to learn about the diverse and complex nature of the world around us, and to develop a deeper understanding of our place in it.

---

**Japan Gallery**

The Environment on the Japanese Islands

Exhibited here in this Japan Gallery are the nature and history of the Japanese Islands, the evolution of its endemic organisms, the process by which the modern Japanese population was formed, and the history of our contact with nature.

---

**National Museum of Nature and Science**

The exhibit encourages us to think about what we can do to protect our home planet, with the goal of working towards a future based on the harmonious balance of the Earth's ecosystem.
